## Education Introduction

I am very excited to introduce our Keynote speaker to you this morning.

(insert when and where below)

I first heard Dave Weber \_\_\_\_\_ and I knew then he was the perfect one to kick off our meeting today.

Dave is the President and CEO of Weber Associates, a training firm based in Atlanta, GA. He is a teaching member of the Council for Educational Change and an internationally recognized speaker who has presented over 165 times a year for the last 25 years. During that time he has spoken to tens of thousands of educators from literally all 50 states and around the globe.

His list of corporate clients is equally impressive and reads like a Who's Who of Corporate America: **AT&T, FedEx, IBM, Chick-fil-A, The Weather Channel, Bank of America, and Nike** are just a few of the organizations who bring Dave back over and over.

Dave is the author of 2 amazing books: **Leadership Redefined** and **Sticks and Stones Exposed** (which are available for purchase today) and is the creator of **The LifeTime Organizer**

I think the reason Dave is in such great demand is his belief in laughing while you learn. He has been called "The Cure For The Common Meeting" and the "Energizer Bunny on Red Bull". So buckle your seatbelts, and get ready for the ride of your life.

His momma loves him and you will to!

Please join me in welcoming --- **DAVE WEBER**
