**ALLEGHANY, Co., Va. (WDBJ7) "Will you play back? C'mon folks, will you play back?"**

**That's speaker Dave Weber from Atlanta.**

**He was at Alleghany High School, where the entire staff of the Alleghany and Covington school systems gathered for convocation.**

**Weber went through his seminar, "Leadership Redefined," on Monday to help the educators prepare for the school year.**

**Weber says, "This is the second time I got invited back. I was here a year ago to help kick off the year. And I love these people. They're so authentic. They're transparent. They're real, and they desperately want to do the right thing for their students and their communities."**

**School starts in Alleghany County on Wednesday.**
